> Hello Mr. Caudle and Macauley McGinnis,
>
> It was great meeting with you several weeks ago as part of the Rural Letter Carriers' Association legislative lobbying day. I apologize for the delay, but I do want to notify you that Rep. Price has agreed to cosponsor House Resolution 30, which as you know calls on Congress to preserve USPS six-day delivery. Rep. Price's name should be added to the official cosponsor list in the coming days.
>
> I'm also glad House leadership appears to have shelved the strange plan to partially finance the Highway Trust Fund with "savings" from eliminating six-day delivery. We will be sure to stay vigilant on this front moving forward.
>
> If there's anything else that needs to be on our radar, I hope you won't hesitate to call or email me directly.
>
> Best,
